Have you reached out the GM Massina staff? Where you hoping for successive days or meeting with EPA on both sites in the same day?

Well that complicates matters. I'm sure we can work it out.

Thanks, Jim. FYI, we're going to combine our visit to Region 2 with an update on the Massena cleanup & redevelopment prospects. So I'll be reaching out to Virginia and Marla about scheduling that update, too. --Carl

Happy New Year to you too. I will confer with those here in EPA and let you know which dates work for us. No need to Brendan to reach out.

Hi Jim, Happy 2020.

RACER's Cleanup Manager Brendan Mullen and I would like to meet with you and your Program colleagues later this month, if possible, to brief you on the status of our OU-2 work & Ann'l Cleanup Budget, as well as our contribution case.

At this point, Brendan & I are available for an in-person meeting on January 15, 16, 30, and 31.

If such a meeting should be set-up by Brendan in conjunction with his RPM counterpart, let me know and Brendan will go that route.

Thanks, Jim. --Carl
